# ACE THE GRADE SUMMER WORKSHOPS

At **Ace Academic Learning Centers**, we believe that learning never ends! It's always important to master academic skills and learn new techniques year round! For this reason, we are introducing our **Ace the Grade Workshops!**

These intensive summer courses will help prepare and develop your child's confidence and ability to clarify material from their current grade, while attaining an understanding of material for the upcoming school year! All of our curriculums are aligned with the Next Gen Standards.

Enrollment in our **Ace the Grade Workshops** will enhance your child's academic standing and aptitude.
